

KAMRYN SCAMPERLE

ABOUT

I am a highly motivated, friendly and passionate Senior at The University of Texas at Austin seeking a position that will utilize my excellent analytic skills and leadership qualities in the discipline of Public Health.

WORK EXPERIENCE

TUTOR

College Nannies and Tutors | Austin, TX | January 2020 - Present

- Assisted students ages 12-18 in their efforts to understand algebra, statistics, geometry, biology, chemistry, reading, writing, and grammar
- Prepared high school students for their ACT, SAT, and/or SSAT exam(s) by teaching them skills of focus, analyzation and quick decision-making
- Strengthened personal abilities to work independently and in the role of a leader/mentor

INTERN

Discern Health (HEOR Consulting) | Baltimore, MD | June 2019 - August 2019

- Supported client projects focused on improving health care and outcomes
- Reviewed and assessed health care measures
- Designed analytical programming code in relation to patient data
- Assisted in quality measure modeling

RESEARCH ASSOCIATE

Project SEED at The University of Texas | December 2018 - June 2019

- Interviewed and introduced incoming Project SEED participants to the many facets and goals of the Project
- Scanned and computerized research findings
- Assisted in the registration and organization of students
- Gained valuable experience working with Microsoft Office

COMMUNITY SERVICE

VOLUNTEER - COVID-19 RESPONSE

Dell Medical School Community Volunteer Team | April 2020 - June 2020

- Central Texas Food Bank - Worked independently and in teams to inspect, clean, sort, box and prepare donated food to distribute to the community
- Face Shield Project - Helped create thousands of improvised face shields to protect medical workers and first responders
